

## Where do I find the training that I am registered for?

You will find the training you are registered for on your transcript.

- Click [here](#) to access your Sage University transcript.
- On the **Log in** page, enter your **login credentials** (your registered Sage U email address and password) and click on **Log in**.
- Your transcript will be displayed, listing all the training you are registered for.

### Transcript: Your Name and Surname

Your transcript provides access to all your Sage University training and certifications.

For online training, we recommend the following pop-up blocker settings and ensure your Flash player is up-to-date.

View tips for successfully navigating through your transcript including: viewing course details, accessing online training, evaluations, and receipts.

Access your eBookshelf
